2. During the meetings which took place on 15 and 16 March at the Community Headquarters Building, [REDACTED] the Executive Secretary of STAP talked with [REDACTED] about taking a polygraph examination covering CI issues. [REDACTED] volunteered to take the polygraph but asked when it would be given and how long it may take to complete. [REDACTED] told him he would obtain this information from the Office of Security and apprise him of this information.

3. This matter has raised a point as to the Office of Security's policy with regard to STAP members. It is my understanding that several STAP members have volunteered to take the polygraph but that this is not a mandatory prerequisite for membership on STAP. [REDACTED] is a new member who has been added to the STAP Committee since it was transferred to the IC Staff. It would be appreciated if you could provide me with your understanding of the Office of Security's policy relative to new STAP members.

4. If you desire to polygraph [REDACTED] please provide me with a date when this should occur, or if you prefer I can arrange this directly with the Polygraph Branch.

5. Your cooperation in this matter is greatly appreciated. Should you have additional questions, please contact me on [REDACTED]
